SECTION 3

3.0 RULES AND REGULATIONS

3.1 Claims

Although our movers will be careful with your possessions, from time to time damages may occur. If damages are caused by our service, we reserve the right to repair the damage(s) in question. If we determine that damage(s) cannot be repaired, customer will be compensated based on the level of coverage chosen, as set forth below.

3.1.1 Standard Valuation

This coverage is free with the customer move. In the event that anything is lost or damaged during the move, you will be reimbursed at \$0.60 per pound per article. That means if an item is damaged or lost, you are entitled to the value of the item or damage up to a maximum of the weight of the article times \$0.60 per pound. This value is often less than the actual value of your articles.

3.1.2 Depreciated Value Coverage

This coverage allows the customer to declare the total depreciated value of the shipment. If items are lost, damaged, or destroyed the customer is reimbursed the depreciated value of the goods declared or \$0.60 per pound per article, whichever is greater. This coverage costs \$0.50 for every \$100.00 of declared depreciated shipment value.

3.1.3 Full Replacement Coverage

This coverage allows the customer to declare the total value of their shipment. If articles are lost, damaged, or destroyed the customer is reimbursed the full value of the goods declared or \$0.60 per pound per article, whichever is greater. The coverage costs \$0.75 per \$100.00 of the declared total value of the shipment.

3.2 Presentation of Claims

If there is damage you discover on the day of your move, notify us immediately. All claims for loss, damage or overcharge must be written and attached to the Bill of Lading. In the event you have claims for concealed damage, The Company must be given a reasonable opportunity to inspect damaged items in their original packing. Our movers will complete a Damage Report before they leave your site.

If you discover damage after the move, call the office within 96 hours of your move.

The Carrier's liability shall not exceed the cost of repairing or replacing the lost or damaged property with material of like kind and quality. It shall also not exceed the actual cash value of the property at the time and place of loss, but in no event to exceed the released value.

Gentle Giant Moving Company (NC), LLC dba Gentle Giant Moving & Storage South Carolina Household Goods Tariff

The carrier shall not be liable for loss or damage occurring after the property has been delivered to or receipted for by the consignee or shipper or authorized agent of either. When the Carrier is directed to unload or to deliver the property (or render any services) at a place at which the consignee or its agent is not present, the property shall be at risk of the owner after unloading or delivery.

Where the carrier is directed to load property from (or render any services at) a place or places at which the consigner or its agent is not present, the property shall be at risk of the owner before loading.

The Carrier's liability with regards to sets and matched pieces shall be limited to repair or depreciated replacement of the lost or damaged piece or pieces only and shall not extend to repair, replacement or recovering of the entire set, but in no event to exceed the released value.

No loss or damage claims will be honored until the charges for moving services are paid in full. You will be asked to sign a Moving Services Agreement acknowledging this.

LIMITATION OF LIABILITY ON READY TO ASSEMBLE FURNITURE (Made from Press board, particle board, engineered wood or ready to assemble)

Ready to assemble furniture is defined as meaning furniture manufactured from pressboard, particle board, engineered wood or similar materials which is shipped from the manufacturer in the knocked down "KD" or knocked down flat "KDF" condition to be assembled by the retail store, reseller or end user. Most is not designed with the extra wood structural pieces to adequately brace the unit for movement out of or into a residence, nor the normal truck vibration, even in air-ride trailers. It is not constructed to withstand the normal stress of a move as an assembled unit. Assembly instructions frequently suggest that the connecting hardware pieces be glued in place. This does not significantly improve the structural integrity of the pieces, but does make disassembly impossible without creating substantial, un-repairable damage.

When a Shipper elects to ship an article as defined above, in no case shall the liability of the carrier exceed \$0.50 (fifty cents) per pound per article or \$60.00 (Sixty dollars) per article, whichever is greater.

Gentle Giant Moving Company (NC), LLC dba Gentle Giant Moving & Storage South Carolina Household Goods Tariff

3.3 Governing Publications

Our rates and charges are governed by the terms and conditions of this tariff, and the Rules and Regulations of the South Carolina Public Service Commission.

3.4 Items of Particular Value

We do not assume any liability whatsoever for documents, currency, credit cards, jewelry, watches, precious stones or articles of extraordinary value including accounts, bills, deeds, evidences of debt, securities, notes, postage stamps, stamp collections, trading stamps, revenue stamps, letters or packets of letters, alcoholic beverages, firearms, coin collections, articles of peculiarly inherent or intrinsic value, precious metals or articles manufactured there from. We will not accept responsibility for safe delivery of such articles if they come into our possession with or without our knowledge.

3.5 Bill of Lading, Contract Terms, and Conditions

Each customer will be provided with a copy of the Company's Bill of Lading. The terms and conditions of the Bill of Lading are hereby incorporated by reference.

Electronic format of the above mentioned documents will be an acceptable format for paperwork between the Carrier, Customer, Office of Regulatory Staff and Public Service Commission.

3.6 Delays

The Company shall not be liable for any damages resulting from delays in transporting household goods resulting from an act of God or fault or neglect of any unforeseen entities.

CONTRACT TERMS AND CONDITIONS OF UNIFORM HOUSEHOLD GOODS BILL OF LADING

This contract is subject to all the rules, regulations, rates, and charges in Maximum Rate Tariff No. 1 on file with the North Carolina Utilities Commission including, but not limited to, the following terms and conditions:

SECTION 1. The carrier shall be liable for physical loss of or damage to any articles from external cause while being carried or held in storage-in-transit EXCEPT loss, damage, or delay caused by or resulting:

- (a) From an act, omission, or order of shipper;
- (b) From defect or inherent vice of the article, including susceptibility to damage because of atmospheric conditions such as temperature and humidity or changes therein;
- (c) From (1) hostile or warlike action in time of peace or war, including action in hindering combating or defending against an actual, impending, or expected attack: (A) by any government or sovereign power or by any authority maintaining or using military, naval, or air forces; or (B) by military, naval, or air forces; or (C) by an agent of any government, power, authority, or forces; (2) any weapon of war employing atomic fission or radioactive force whether in time of peace or war; (3) insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating, or defending against such an occurrence; (4) seizure or destruction under quarantine or customs regulations; (5) confiscation by order of any government or public authority; or (6) risks of contraband or illegal transportation or trade;
- (d) From strikes, lockouts, labor disturbances, riots, civil commotions, or the acts of any person or persons taking part in any such occurrence or disorder; and
- (e) From Acts of God.

SUBJECT, in addition to the foregoing, the following limitations apply on the carrier's liability:

The carrier's maximum liability shall be one of the following:

- (1) The actual loss or damage not exceeding \$.60 per pound of the weight of any lost or damaged article when the shipper has released the shipment to carrier, in writing, with liability limited to \$.60 per pound per article; or
- (2) Replacement value of the lost or damaged item beyond repair provided that shipper elects such valuation coverage and agrees to pay applicable rates or the option of satisfactory repairs.

FURTHER, a shipper's failure to notify the carrier in writing that an article or articles having a value that exceeds \$100 per pound will be included in the shipment will restrict the carrier's maximum liability to \$100 per pound for each pound of any lost or damaged article (based on actual article weight), not to exceed the declared value of the entire shipment.

SECTION 2. The carrier shall not be liable for delay caused by highway obstruction, or faulty or impassable highways, or lack of capacity of any highway, bridge, or ferry, or caused by breakdown or mechanical defect of vehicles or equipment, or from any cause other than negligence of the carrier; nor shall the carrier be bound to transport by any particular schedule, means, vehicle, or otherwise than with reasonable dispatch. Every carrier shall have the right in case of physical necessity to forward said property by any carrier or route between the point of shipment and the point of destination.

SECTION 3 Shipper's or consignor's and/or consignee's liability shall include the following:

(a) The shipper (individual or commercial) and consignor upon tender of the shipment to carrier, and the consignee, upon the acceptance of delivery of shipment from carrier, shall be liable, jointly and severally, for all unpaid charges payable on account of a shipment in accordance with the applicable tariffs including, but not limited to sums advanced or disbursed by a carrier on account of such shipment. The extension of credit to either shipper or consignee for such unpaid charges shall not thereby discharge the obligation of either party to pay such charges in the event the party to whom credit has been extended shall fail to pay such charges.

(b) Shipper and/or consignor acknowledge that no explosives and/or dangerous articles or goods shall be contained in shipment. However, shipper and/or consignee shall indemnify carrier against any loss or damage caused by the negligent or intentional inclusion of explosives or dangerous goods therein. SECTION 4. If for any reason other than the fault of carrier, delivery cannot be made at address shown on the face hereof, or at any changed address of which carrier has been notified, carrier, at its option, may cause articles contained in shipment to be stored in a warehouse selected by it at the point of delivery or at other available points, and were held without liability on the part of the carrier, at the cost of the owner, and subject to a lien for all accrued tariff and other lawful charges.

SECTION 5. If shipment is refused by consignee at destination, or if shipper, consignee, or owner of property fails to receive or claim it within fifteen (15) days after written notice of United States mail addressed to shipper and consignee at post office addresses shown on face hereof, or if shipper fails or refuses to pay lawfully applicable charges in accordance with carrier's applicable tariff, carrier may sell the property at its option, either (a) upon notice in the manner authorized by law, or (b) at public auction to highest bidder for cash at a public sale to be held at a time and place named by carrier, thirty (30) days notice of which sale shall have been given in writing to shipper and consignee, and there shall have been published at least once a week for two consecutive weeks in a newspaper of general circulation at or near the place of sale, a notice thereof containing a description of the property as described in the bill of lading, and the names of the consignor and consignee. The proceeds of any sale shall be applied toward payment of lawful charges applicable to shipment and toward expenses of notice, advertising, and sale, and of storing caring for, and maintaining property prior to sale, and the balance, if any, shall be paid to owner of property; PROVIDED that any perishable articles contained in said shipment may be sold at public or private sale without such notices if, in the opinion of carrier, such action is necessary to prevent deterioration or further deterioration.

SECTION 6. As a condition precedent to recovery, a claim for any loss or damage, injury, or delay, must be filed in writing with carrier within nine (9) months after delivery to consignee as shown on face hereof, or in case of failure to make delivery, then within nine (9) months after a reasonable time for delivery has elapsed; and suit must be instituted against carrier within two (2) years and one (1) day from the date when notice in writing is given by carrier to the claimant that carrier has disallowed the claim or any part or parts thereof specified in the notice. Where a claim is not filed or suit is not instituted thereon in accordance with the foregoing provisions, carrier shall not be liable and such a claim will not be paid
